Enriched Air Nitrox Class, Saturday, Dec 17th at 1 p.m.

Nitrox is about Safety and Staying in the Beautiful Underwater World Longer.

When diving with nitrox your body absorbs less nitrogen. With less nitrogen you can stay down longer and your body does not have to work so hard to off-gas after the dive. Most dive resorts are encouraging the use of nitrox to help make their divers safer. It is a highly recommended for anyone who has had medical issues, over 40 or leading a high stress life. Price of the class is \$195. Please sign up in advance and complete the study kit.

Medic First Aid/CPR/AED Class-Wed. Dec 14th @ 6 p.m. You never know when you will be called upon to help in the event of an accident. You need to be comfortable with your skills. Cost of the class is \$35 pp and the certification card is good for two years. **This class is recommended for divers and non-divers.**

What's New!!

Ladies Manta and Octopus Hoodies \$35

Spearfishing shirt \$21.50-\$28.00

The DAN Gear Mat is perfect for relaxing on the beach or use it to put your dive gear on before a shore dive. \$12.00

Cayman Aggressor March 24-31, 2012

[Aggressor website](#)

Enjoy diving and snorkeling in the crystal clear waters of Grand Cayman, Cayman Brac and Little Cayman. Bloody Bay Wall in Little Cayman has been voted one of the best wall dives in the world.

If you have never enjoyed the luxury of a “liveaboard” you are missing some of the best diving, food, starry nights on deck, etc in the world. The boat has electronic stabilizers so it will not rock like a normal dive boat and we planned this trip later in the spring so that hopefully the waters will be flat and beautiful. There are chefs on board so don’t plan on losing weight, the food is awesome. The diving around the Cayman Island is some of the best in the world.

Price of the liveaboard ranges from \$2,570 to \$2,982 (depending on your room selection). Price is based on double occupancy. (3 spots open)

Liveaboard price includes: diving, meals and accommodations. The only costs not included are airfare, nitrox, fuel surcharge and crew gratuity so there are no surprises, no bills waiting. **See the Husker Divers website for complete information.**

Price does not include airfare to Grand Cayman.

According to the Top 100 Readers Choice, we have two great trips planned for 2012.
